

CLAY TOWNSHIP IMPACT PROGRAM

Making an impact in our community.

Indoor Fieldhouse at Badger Field

5459 E. Main Street

Project Scope

Design, construction and equipping of an indoor, year-round fieldhouse.

- indoor space for year-round multiple sports activities:
 - full-size synthetic turf field
 - 4 basketball / sports courts
 - restrooms / locker rooms / spectator areas
 - concessions / community rooms / office space
- roundabout entrance to Badger Field for safer access
- improve stormwater issues

Project Timeline

- Construction to begin: **Summer 2020**
- Project completion: **Winter 2021**
- Sections of Badger Field will be closed to the public during construction
